So Long...Farewell

After 16 years at the Warrane Mornington Neighbourhood Centre Inc. I am hanging up my apron. I have enjoyed my time at the centre and with the community. I have seen many come and go and all the good times outweigh any not so good times. Working in a community is always interesting and it's amazing what people are doing out there. I want to thank all those I have worked with, Board, staff, volunteers, organisations, and community members. I wish the new manager well in the position. It's a great community and it's always treated us well.

~ Leanne Doherty - Retired Manager

On behalf of the Board of Management, Staff and Volunteers, we congratulate and thank Leanne for her 16 years of service to the Centre and our community. We wish her well in her retirement.

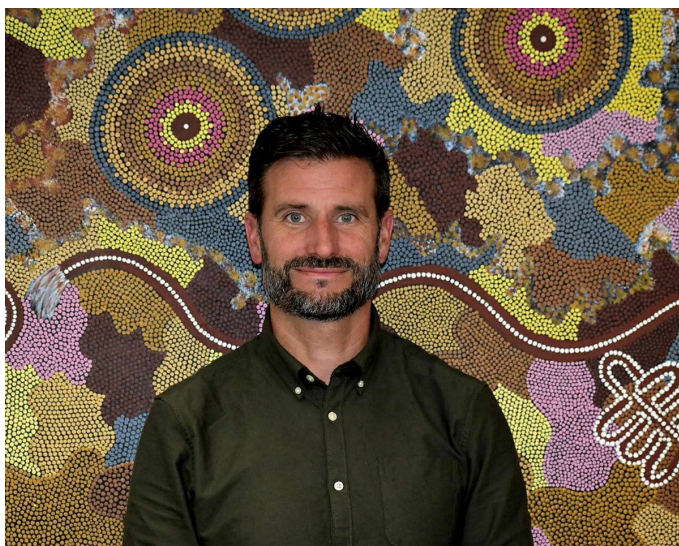

Acknowledgment of Country

In the spirit of reconciliation, the Warrane Mornington Neighbourhood Centre acknowledges the Traditional Custodians of country throughout Australia and their connections to land, sea and community. We pay our respect to their Elders past and present and extend that respect to all Aboriginal and Torres Strait Islander peoples today.

Welcome Ben!

After several years of wonderful management service by Leanne Doherty, Warrane Mornington Neighbourhood Centre welcomes a new Manager, Ben Cooper. Ben has recently returned home from 13 years living in Victoria with extensive experience leading organisations in the not-for-profit social sector working with young people and communities across Australia. Through regional, state, and National roles, Ben has engaged with communities from metropolitan, as well as regional and remote communities across the country delivering programs and community development initiatives to strengthen community connections and build capacity for people and their communities to thrive. Ben is very much looking forward to continuing the work of the centre and exploring new ideas with you all, so please make yourself known to Ben when visiting the centre.

Warrane Community Garden

Have you seen our Garden Share Stand yet? This is a space for locally grown produce, plants, seedlings and labelled seeds to be shared with the community. And remember, if you would like to get involved with our regular working bees our next one is Sunday September 12 from 9am - 12pm.

Thank you Mornington Bunnings Warehouse for the ongoing support through donations to the Centre, Community Garden and Garden Share Stand. We greatly appreciate your contribution.

Supported by the Crown through the Department of Communities Tasmania

Community Mental Health Training

In July, the Centre supported local community stakeholders to attend mental health training that was tailored to assist them to meet the needs of the local community.

This training provided opportunities to learn about and reflect on understanding mental health, depression and anxiety, trauma, understanding when someone needs help, referral information and processes, communicating with community members in need of support and self care.

This training was provided by Andrew Nolan from Southern Beaches Counselling and was partially funded through generous community fundraising.

"a greater understanding of anxiety and depression and the resources available to us."
