Thursday: 8:30am to 4:00pm

Friday: 9:00am to 3:00pm

## From the Centre.....

Welcome to 2021!

Sure, to be better than 2020 although it did have its benefits with more people getting to know their neighbours and communities working together. Here at the Centre, we continued to work just in a different way. We had to be more creative with the way we provided assistance, but it all came together. We also met new people and found many generous people who were willing to give their time to help out. There are still restrictions we are working with so please be patient. With all these things in mind if you have any service or activity you might want to know more about let us know and we may be able to set up some information sessions. If you have questions more than likely others do too. Just give us a call, message us on Facebook, call in or drop a note in the letterbox. Look forward to hearing from you.

### Food Donations Needed

Are you starting the new year with a pantry clean out? Do you have any excess fruit or vegetables growing in your garden that you have no use for?

We have a weekly Food Assistance program here at the Centre and are in need of additional supplies to help those in our community who need some assistance.

If you have any excess pantry items or produce that is still in date, we would love to take them off your hands.

Donations can be left here at the Centre during opening hours.

Thought for 2021: *I was going to quit all my bad habits for the new year, but then I remembered that nobody likes a quitter!*

You are invited to get in touch and share your ideas!

2020 was a tough year that changed our lives. We learnt new skills and we reached out to those around us. We learnt the importance of community.

In your community the Warrane Mornington Neighbourhood House kept the doors open; providing support and advice.

### So who are we?

The Neighbourhood House operates the Warrane Community Garden at 18 Heemskirk Street, and the House at 150a Bligh Street.

We provide affordable and accessible courses, services and activities to individuals, schools and our diverse community. We work with other services, community groups, schools and residents to improve the quality of life for individuals of all ages, and offer great facilities that bring people together.

This year we invite you to be part of planning for the next three years. It's an opportunity to connect with us and others and together plan a positive future. We don't know what is ahead but we know that we are stronger together.

### We will be asking THREE QUESTIONS?

**What do you like about living and/or working in your local community?**

**What are the challenges in the local community that affect you?**

**What can we do to improve living and working in your local community?**

Over the coming months we will be holding forums, events and online surveys to collect your feedback. There's plenty of time, so chat to your neighbours and friends about what's important to you.

Dates for upcoming events will be in the next newsletter. If you would like to respond sooner to our three questions please:

Drop a letter at the house on Bligh Street or

Send an email to [info@wmnc.org.au](mailto:info@wmnc.org.au)

Stay in touch via our Facebook page, drop into the house between 9-3pm Monday to Friday at 150a Bligh Street, Warrane or call 62 446 346 to make a time to talk to one of our team.

Since our last newsletter a lot has happened in the garden, the market was a great success, with the enthusiastic assistance of helpers from many organisations our seats have been installed, as has the BBQ.

There has been planting, weeding and mulching including with some lovely pea straw. We have competition winning tomatoes growing (ABC radio tomatoes competition)

and over the break an amazing team have been working to keep the garden watered and happy.

We are looking forward to an exciting year in growing Community and veggies!

Our next working Bee is Sunday February 14th (9am to 12 noon), come along and join us and share the valentine love with your Community garden. We would love to see you there!

## Loui's Van

Loui's Van is an after-hours mobile service providing food, information and support to those who need it, provided by Vinnies.

Loui's Van stops at the **Warrane Mornington Neighbourhood Centre, 150a Bligh Street, Warrane**

**EVERY TUESDAY NIGHT**

**AT 6:15pm**
